

# SECURE

BARBED WIRE

## BARBED WIRE FOR LONG-LASTING PROTECTION

Barbed wire is a unique GI Wire fencing solution – BSRM has introduced a completely new secured barbed wire technology of the best quality in the entire nation. This barbed wire undergoes strict quality checks during each step of its manufacturing process and is extremely easy to use.

Boundary Fencing

**SECURE BARBED WIRE FEATURES:**

- Hot-dip galvanized and waxed for a shiny finish
- More long-lasting than regular GI wires
- Prevents rust, ensuring its long-lasting quality
- The longest barb wire that maintains equal distance, where each wire has the perfect thickness
